BENSON & HEDGES LTD

OLD BOND STREET LONDON W.1.

Welcome to the
BENSON and HEDGES
Golden Gift Collection
1973/74

How to get your gifts: Please see Application Forms and information at the end of this catalogue.

NB. This catalogue is valid from 1st September 1973, and we regret no applications can be met from previous editions.

The Golden Gift Collection for 1973/4 contains the largest, most comprehensive range of gifts Benson and Hedges have ever offered. Each item has been specifically chosen for excellence of design, materials and workmanship; qualities which are the hallmark of Benson and Hedges cigarettes.

More than 150 wellknown brand names are represented in these pages. Many of the gifts are listed in the Council of Industrial Design Index (marked by ▲ against the caption).

Every gift is also covered by the special Benson and Hedges Guarantee. If your gift is imperfect in any way when you receive it, we will gladly replace the item and repay postage costs you have incurred.

The Benson & Hedges

Benson and Hedges offer far more than a range of cigarettes with coupons. It represents a unique selection of top-quality cigarettes aimed at satisfying all tastes and all pockets. Gold Bond and Sovereign, in the distinctive gold packs; the Silk Cut Range of mild cigarettes; Sterling, Virginia Reds and Virginia Blues – all of them finest quality cigarettes, and each of them offering a smoking

pleasure that's unique.

The beauty of the Golden Gift Scheme is that the coupons from *any* of these Benson and Hedges brands can be combined in collecting towards any of the gifts in this catalogue. So if your local pub or tobacconist temporarily run out of your usual brand you can buy *another* B. & H. coupon brand – and you're still saving towards the gift you want.

The Gift Centres for Benson and Hedges Savers

41/43 Oldham Street, Manchester N1 GJ

Many other cigarette manufacturers offer you coupons, and catalogues.

Benson and Hedges offer you the services of two superb Gift Centres! One in Manchester and one in Glasgow. And we're planning to open up more Gift Centres for Benson and Hedges savers in other major cities.

The Gift Centres are just like high class department stores, except that they don't sell anything. They just give things away! Almost all the gifts that you see in this catalogue you can also see in the Gift Centres. You can walk into the Gift Centre, exchange your coupons for the gifts you choose, and take them home with you. (Gifts marked ♦ available by post only.)

The Gift Centres offer you 3 unique advantages.

First, it allows you to see the gifts you choose, not just in a catalogue, but in the flesh. See if they still please you before you take them away.

Second, it saves you money, instead of paying expensive registered mail charges on your coupons, you just bring them in and exchange them, on the spot, for the gifts you want. For heavy, bulky gifts, you can simply drop your coupons in at the Gift Centre and we'll deliver the gift to your home – at our expense, naturally.

Fleming House, 134 Renfrew Street, Glasgow C3

Third, it saves you time. You don't have to wait while your coupons are delivered, and your gifts mailed back to you. You get them immediately!

(Naturally, if you can't get to the Gift Centres, you can still send for your gifts by post, and we'll make sure you get them promptly.)

How to apply for your gifts

- Please check carefully your quantity of certificates and the number of certificates required for the gift or gifts for which you are applying.
- Fill in the gift form (example below) – in BLOCK LETTERS – and be sure to give your full name and address, including the county (Postcode if applicable) and your telephone number.

Most Important

- Where an alternative size, colour or type of gift is shown, be sure to indicate your choice on the form, in the space provided.
- Note: Should you apply for two or more gifts at any one time, they may be despatched in separate parcels which will not necessarily arrive on the same day.

Delays in transit can occur. If you have not received your complete order after 21 days (28 days if Scotland or Northern Ireland) please advise us at the address shown below, quoting full details of your application and enclosing your Certificate of Posting or Registration.

- **Certificates for Cash** – although you get better value if you exchange your certificates for gifts, you can exchange them for cash if you prefer, at the rate of £1 for 800 certificates. You should send in a *minimum* of 800 certificates and thereafter they should be in exact multiples of 800, i.e. 1,600, 2,400, 3,200 etc. Just send in your certificates with an application form in the usual way, marking it 'Cash' in the description column. *Please note that at the Gift Centres you may redeem certificates up to the value of £10 only.*

How to post your Application and Certificates

- **Under 1,000 certificates** – Send by ordinary Letter Post. You should obtain a Certificate of Posting which you should keep until your gift arrives.
- **Over 1,000 certificates** – Always send by Registered Letter Post using a special Post Office Registered Envelope whenever possible. If the number of certificates you have is too many to go into the largest Registered Envelope (K size) you should make them up into a securely wrapped packet and send them by Registered Letter Post. Remember to keep the Certificate of Registration until your gift arrives.
- **Recorded Delivery Service and Compensation Fee Parcels Service** may not be used in accordance with Post Office Regulations.
- **Gift Centres** – If you redeem your Gifts at the Gift Centres you can use the Application Forms opposite. You may find it more convenient to complete the Application Form prior to your visit.

Certificates are issued and gifts are offered subject to the following conditions:

1. Certificates are not assignable and the right is reserved (a) to refuse to supply goods unless satisfied that they will not be offered for sale and to retain the certificates in any such case until we are so satisfied, (b) to alter the number of certificates required for any item without notice, (c) to supply an alternative item of equivalent quality and value should any item not be available and (d) to withdraw any item at any time. 2. Dimensions and descriptions are quoted only as a guide, but care has been taken to make them as accurate as possible. 3. Persons residing outside the United Kingdom may not apply for gifts. The vast majority of goods offered in this catalogue are of British Manufacture. Certain imported lines have been included where it was considered necessary in order to give the widest possible selection or where they offered outstanding value.

This catalogue cancels the fourth and all previous editions of the Benson and Hedges catalogue.

September 1973

This label shown against many of the gifts indicates that they are included in the Council of Industrial Design Index
