ARGOS DISTRIBUTORS LTD CATALOGUE NO 4 AUTUMN/WINTER 1975/76

Britain's best shopping deal

This catalogue is your key to a revolutionary new way of saving

Here's why

The Argos shopping system combines all these advantages:

1. A catalogue that makes it easy for your family to choose the best buys in the quiet of your own home.
2. Attractive, efficient, easy-to-reach Showrooms, where you can buy the items you have selected.
3. A wide, exciting range with thousands of savings.
4. The reliability of branded products from famous household names that you can trust.
5. A money-back guarantee of satisfaction.

But above all...

6. Permanent savings on every single item.

All year round Argos offers genuine savings off the prices you would normally expect to pay in conventional shops.

Dramatic savings

Argos low, low prices come from a completely new shopping idea.

1. Our system uses less shop space. So we save on rent and rates for example.
2. Computerised warehousing cuts costs again.
3. Lower prices mean we sell more. So we gain from bulk purchasing.

All this adds up to a bigger, better deal for the customer. It means big savings for you. Savings of up to 40%.

No hidden extras

The remarkably low Argos prices already include VAT so there's no extra "hidden" cost to pay when you buy from any Argos Showroom.

But remember that while every possible effort will be made to maintain these low prices for our current trading period, we must reserve the right to make adjustments in the event of changes in VAT or for any other reason beyond our control – so please, check the Master Catalogue in your local Argos Showroom.

It's easy to save money the Argos way

Once you've chosen the bargains you want from this catalogue, make your purchase at your local Argos Catalogue Showroom. Many items from the catalogue are on display – and each Showroom has a large stockroom behind the public area. Assistants are there to offer help if you require it.

In the Showroom you complete an easy selection form for the items you want. An assistant will then check your selection form.

The goods will be brought from the stock room while you are making your payment. Cheques of up to £30 will be accepted immediately, provided they are accompanied by a Banker's Card. You may use Access or Barclaycard to purchase goods at any Argos Showroom.

The full range of savings in this catalogue is available from local Showrooms, the addresses of which are printed on the back cover.

Watch out for extra savings

At frequent intervals, Argos offers quality branded merchandise at even greater savings... either items from this catalogue at further reduced prices or additional lines that we can offer at especially good savings. Be sure you don't miss them. Keep visiting your local Argos Showroom and look out for these additional savings featured in special displays.

Argos Gift Vouchers

Here's a marvellous gift for everyone. Give an Argos Gift Voucher – available at your local Showroom in values of £1, £2 and £5.

You can use the Argos Gift Vouchers for such things as Christmas presents, Birthdays, Weddings, Anniversaries and other special gift occasions.

Argos Vouchers can solve all your gift problems with over 2,000 quality branded merchandise items to choose from. The Gift Vouchers can be used at any of our 43 Catalogue Showrooms which are spread throughout the country and can be found listed on the back cover of this catalogue.

Full money-back GUARANTEE

In addition to your statutory rights as a customer, Argos gives you a generous full money-back guarantee.

1. All customers are protected by the law when buying goods. Argos fully respects these rights.
2. Argos gives you further protection with a Full Money-Back Guarantee. We will exchange or refund you for any *unused item* that does not meet your exact requirements. Simply replace the item in the original carton or wrapping and return it to us with your receipt within 14 days of purchase.

We want you to be entirely satisfied with every purchase you make at Argos.

Deliveries

Larger items will be delivered direct to your home without extra charge. These are clearly marked in the catalogue.

The Argos prices shown here are, where possible, compared with Recommended Retail Prices. Where no such prices exist, our suppliers have suggested Comparative Retail Prices. These are used to show the genuine savings we offer.

Every item in this catalogue is as described by the manufacturer, although all sizes and capacities quoted are approximate. It is Argos policy to offer the most-up-to-date merchandise – so descriptions are subject to change if a manufacturer alters a specification after this catalogue is printed.

This catalogue, published August 1975, supersedes all previous Argos catalogues and remains in effect until further notice.

The information contained in this catalogue is compiled with all reasonable care possible, but the Publishers do not hold themselves responsible for errors or omissions.

An explanation of 'Crockery' terminology

EARTHENWARE is made from a mixture of ground stone and clay. This is the most popular type of tableware.

STONEWARE & IRONSTONE. This type has a much higher ground stone content mixed with clay. The higher stone content gives added weight and strength.

BONE CHINA. By adding calcinated animal bone this makes the article translucent. This is the finest type of tableware.

"Bramble" Fine Bohemian China. Spray decoration with gold rims.

A jewellery expert tells how Argos can give more for your money

Mr. Brian Selwood, a Fellow of the Gemmological Association of Great Britain, has been responsible for the selection of our improved range of jewellery

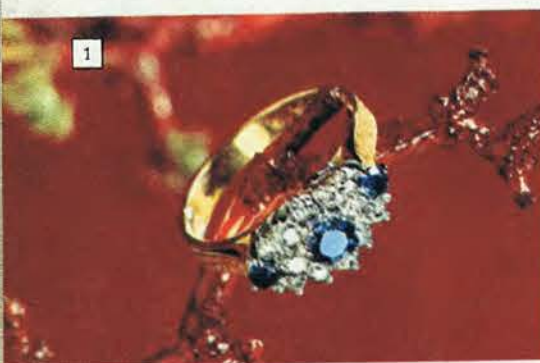

Mr. Selwood writes:
"There are many reasons why you get better jewellery for your money at Argos. Firstly, we have cut out the middleman—we buy direct. Secondly, we buy ahead to avoid the increases caused by the ever-rising costs of gold and precious stones. Thirdly, apart from jewellery, Argos sells a wide range of products; so our huge turnover allows our Jewellery Division to operate without the jeweller's traditionally high profit margin. All

these reasons mean that in jewellery, Argos can afford to give you much more for your money."

Valuer's Certificate. Guarantee. Free Insurance. Ring Sizing Service.

The lifetime skills of experts ensure the value of the jewellery you buy at Argos. With each engagement ring or eternity ring you have the extra surety of a Valuer's Certificate. But whatever you buy you also have the reassurance of the Argos Guarantee (see details of our full money-back guarantee page 3). With each engagement ring or eternity ring up to £1,000 in value, we also give one year's free insurance. Argos offer a 3 to 4 day ring sizing service for your convenience.
