ARGOS DISTRIBUTORS LTD CATALOGUE NO 5 SPRING/SUMMER 1976

Britain's best shopping deal

This catalogue is your key to a revolutionary new way of saving.

Here's why

The Argos shopping system combines all these advantages:

1. A catalogue that makes it easy for your family to choose the best buys in the quiet of your own home.
2. Attractive, efficient, easy-to-reach Showrooms, where you can buy the items. Showroom addresses are listed on the back cover.
3. A wide, exciting range with thousands of savings.
4. The reliability of branded products from famous household names you trust.
5. A money-back guarantee of satisfaction. But above all...
6. **Permanent savings on every single item.** All year round Argos offers genuine savings off the prices you would normally expect to pay in conventional shops.

Dramatic savings

Argos low low prices come from a completely new shopping idea.

1. Our system uses less shop space. So we save on rent and rates for example.
2. Computerised warehousing cuts costs again.
3. Lower prices mean we sell more. So we gain from bulk purchasing.

All this adds up to a better deal for the customer. It means big savings for you.

No hidden extras

Argos prices already include VAT so there's no extra "hidden" cost to pay. But remember that while every possible effort will be made to maintain these low prices for our current trading period, we must reserve the right to make adjustments in the event of VAT changes or for any other reason beyond our control—so please, check the Master Catalogue in your Argos Showroom.

It's easy to save money the Argos way

Once you've chosen your bargains from this catalogue, make your purchase at your local Argos Showroom. Many items from the catalogue are on display—and each Showroom has a large stockroom attached. Assistants are there to serve you and

help if required.

In the Showroom you complete an easy selection form for the items you want. An assistant will then check your selection form.

The items will be brought from the stockroom while you make your payment.

Cheques of up to £30 will be accepted immediately, if accompanied by a Banker's Card. You may use Access or Barclaycard to purchase goods at any Argos Showroom.

Watch out for extra savings

Argos frequently offers quality branded merchandise at even greater savings...items from this catalogue at further reduced prices or additional lines that we can offer at especially good savings. Be sure you don't miss them. Keep visiting your local Argos Showroom and look out for these additional savings in special displays.

SPECIAL FACILITIES

Argos Gift Vouchers

Argos Gift Vouchers are available at your local Showroom in values of £1, £2, and £5. They are ideal for:— Prizes, Christmas presents, Birthdays, Weddings, Anniversaries and other special gift occasions.

They can be used at any of our Catalogue Showrooms.

Wedding List Service

This is a new Argos service to prevent the disappointment of receiving unwanted or duplicated wedding gifts. If you are about to be married, you can compile a list of the items you want from this catalogue.

We will hold the list at the Argos Showroom.

Your guests can visit the Showroom and buy their gifts from the list. Each item chosen is then removed so that no two guests buy the same gift. There is no charge for this wedding list service and the Showroom Manager will be pleased to discuss details with you.

Film Developing and Printing

All Argos Showrooms now offer a developing and printing service for colour films in 110, 126 and 35 mm sizes. This is a very high quality processing service—at extremely competitive prices. This service is for colour prints only—not transparencies.

Deliveries

Refrigerators, freezers and washing machines will be delivered and installed at no extra cost—see pages 116 and 117 for details.

Prices

The Argos prices shown here are, where possible, compared with Recommended Retail Prices. Where no such prices exist, our suppliers have suggested Comparative Retail Prices. These are used to show the genuine savings we offer. Every item in this catalogue is as described by the manufacturer, although all sizes and capacities are approximate. It is Argos policy to offer the most-up-to-date merchandise—so descriptions are subject to change if a manufacturer alters a specification after this catalogue is printed.

Full money-back

In addition to your statutory rights as a customer, Argos gives you a generous full money-back guarantee.

1. All customers are protected by the law when buying goods.

Argos fully respects these rights.

2. Argos gives you further protection with a Full Money-Back Guarantee. We will exchange or refund you for any unused item that does not meet your exact requirements.

Simply replace the item in the original carton or wrapping and return it to us with your receipt within 14 days of purchase. We want you to be entirely satisfied with every purchase you make at Argos.

This catalogue, published February 1976, supersedes all previous Argos catalogues and remains in effect until further notice. The information contained in this catalogue is compiled with all possible care, but the Publishers do not hold themselves responsible for errors or omissions.

A jewellery expert tells how Argos can give more for your money

Mr. Brian Selwood, a Fellow of the Gemmological Association of Great Britain, has been responsible for the selection of our improved range of jewellery.

Mr. Selwood writes:

"There are many reasons why you get better jewellery for your money at Argos. Firstly, we have cut out the middleman—we buy direct. Secondly, we buy ahead to avoid the increases caused by the ever-rising costs of gold and precious stones. Thirdly, apart from jewellery, Argos sells a wide range of products; so our huge turnover allows our Jewellery Division to operate without the jeweller's traditionally high profit margin. All

these reasons mean that in jewellery, Argos can afford to give you much more for your money."

Valuer's Certificate. Guarantee. Free Insurance. Ring Sizing Service.

The lifetime skills of experts ensure the value of the jewellery you buy at Argos. With each engagement ring or eternity ring you have the extra surety of a Valuer's Certificate. But whatever you buy you also have the reassurance of the Argos Guarantee (see details of our full money-back guarantee page 3). With each engagement ring or eternity ring up to £1,000 in value, we also give one year's free insurance. Argos offer a 3 to 4 day ring sizing service for your convenience.

An explanation of 'Crockery' terminology.

EARTHENWARE is made from a mixture of ground stone and clay. This is the most popular type of tableware.

STONEWARE & IRONSTONE. This type has a much higher ground stone content mixed with clay. The higher stone content gives added weight and strength.

BONE CHINA. By adding calcinated animal bone this makes the article translucent. This is the finest type of tableware.

"Bramble" Fine Bohemian China. Spray decoration with gold rims.
