ARGOS DISTRIBUTORS LTD. CATALOGUE No 8. AUTUMN 1977

Britain's best shopping deal.

This catalogue is your key to a revolutionary new way of saving.

Here's why.

The Argos shopping system combines all these advantages:

1. A catalogue that makes it easy for your family to choose the best buys in the quiet of your own home.
 2. Attractive, efficient, easy-to-reach Showrooms, where you can buy the items. Showroom addresses are listed on the back cover.
 3. A wide, exciting range with thousands of savings.
 4. The reliability of branded products from famous household names you trust.
 5. A money-back guarantee of satisfaction.
- But above all...
6. Permanent savings on every single item. All year round Argos offers genuine savings off the prices you would normally expect to pay in conventional shops.

Dramatic savings.

Argos low, low prices come from a completely new shopping idea.

1. Our system uses less shop space. So we save on rent and rates for example.
2. Computerised warehousing cuts costs again.
3. Lower prices mean we sell more. So we gain from bulk purchasing.

All this adds up to a better deal for the customer. It means big savings for you.

No hidden extras.

Argos prices already include VAT so there's no extra "hidden" cost to pay.

But remember that while every possible effort will be made to maintain these low prices for our current trading period, we must reserve the right to make adjustments in the event of VAT changes or for any other reason beyond our control—so please, check the Master Catalogue in your Argos Showroom.

It's easy to save money the Argos way.

Once you've chosen your bargains from this catalogue, make your purchase at your local Argos Showroom. Many items from the catalogue are on display—and each Showroom has a large stockroom attached. Assistants are there to serve you and help if required.

In the Showroom you complete an easy selection form for the items you want. Just fill in the catalogue number and the quantity required as shown in the example. An assistant will then check your selection form.

Collect and take home.

The items you have selected will be brought from the stockroom while you make your payment, then simply take them home.

Cheques/Credit cards.

Cheques of up to £50 will be accepted immediately if accompanied by a Banker's Card. You may use Access or Barclaycard to purchase goods at any Argos Showroom.

Full money-back guarantee.

In addition to your statutory rights as a customer, Argos gives you a generous Full Money-Back Guarantee.

1. All customers are protected by the law when buying goods. Argos fully respect these rights.
2. Argos gives you further protection with a Full Money-Back Guarantee. We will exchange or refund you for any unused item that does not meet your exact requirements. Simply replace the item in the original carton or wrapping and return it to us with your receipt within 14 days of purchase. We want you to be entirely satisfied with every purchase you make at Argos.

Watch out for extra savings.

Argos frequently offers quality branded merchandise at even greater savings... items from this catalogue at further reduced prices or additional lines that we can offer at especially good savings. Be sure you don't miss them. Keep visiting your local Argos Showroom and look out for these additional savings in special displays.

Prices.

The Argos prices shown here are, where possible, compared with the Recommended Retail Prices. Where no such prices exist our suppliers have provided Comparative Retail Prices, except where asterisks are printed against the Comparative Retail Price. In respect of those cases (with asterisks) a market research study was carried out in June 1977, which established an average retail price and this has been described as the Comparative Retail Price. These are used to show the genuine savings we offer. Every item in this catalogue is as described by the manufacturer or supplier, although all sizes and capacities are approximate. It is Argos policy to offer the most up-to-date merchandise—so descriptions are subject to change if a manufacturer alters a specification after this catalogue is printed.

Special facilities

Argos gift vouchers.

Argos Gift Vouchers are available at your local Showroom in values of £1, £2 and £5. They are ideal for:— Prizes, Christmas Presents, Birthdays, Weddings, Anniversaries and other special gift occasions. They can be used at any of our Catalogue Showrooms.

This catalogue, published August 1977, supersedes all previous Argos catalogues and remains in effect until further notice. Prices stated in this catalogue were established during June 1977. The information contained in this catalogue is compiled with all possible care, but the Publishers do not hold themselves responsible for errors or omissions.

The Elizabeth Duke collection offers you more jewellery for your money

Mr. Brian Selwood, a Fellow of the Gemmological Association of Great Britain, has been responsible for the selection of our prestige range of elegant jewellery by Elizabeth Duke.

Mr. Selwood writes:

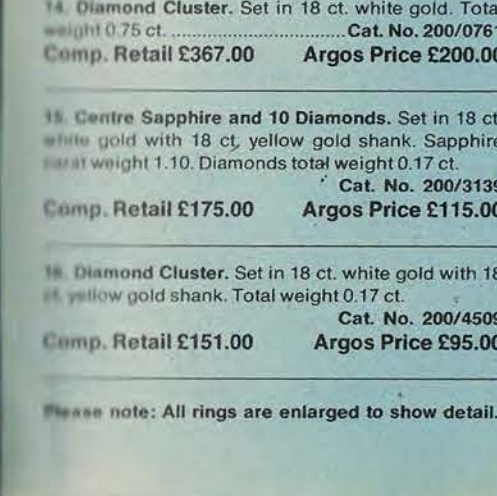

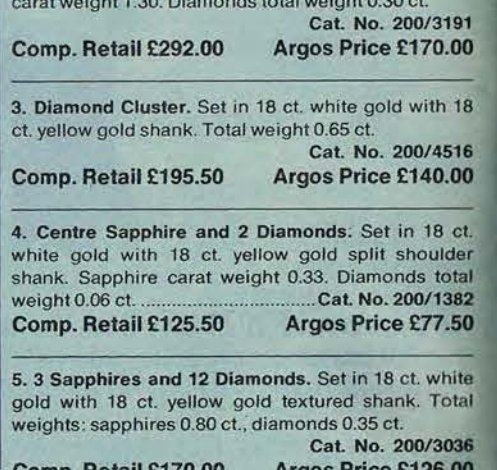

"There are many reasons why you get better jewellery for your money at Argos. Firstly, we have cut out the middlemen—we buy direct. Secondly, we buy ahead to avoid the increases caused by the ever-rising costs of gold, silver and precious stones. Thirdly, apart from jewellery, Argos sells a wide range of products; so our huge turnover enables our Jewellery Division to operate without the jeweller's traditionally high profit margin."

Valuer's Certificate. Guarantee. Free Insurance. Ring Sizing Service.

The lifetime skills of experts ensure the value of the jewellery you buy at Argos. With each engagement ring or eternity ring you have the extra surety of a Valuer's Certificate. But whatever you buy you also have the reassurance of the Argos Guarantee (see details of our full money-back guarantee on page 3).

With each engagement ring or eternity ring, we also give one year's free insurance.

Argos offer a ring sizing service for your convenience.

QUARTZ WATCHES

Technology has advanced to such an extent that Quartz watches are now so reliable they give far greater accuracy than the conventional mechanical watch. We offer within our range, three types of Quartz watches:

L.E.D.—These are with the Light Emitting Diode (L.E.D.), where at the touch of a button miniature dots light up to form easily readable figures.

L.C.D.—These are with a Liquid Crystal Display (L.C.D.), giving a permanent display of figures. At the touch of a button the display will change to give date etc.

ANALOGUE—These are with the traditional dial and hands but with all the advantages of great accuracy.
