Argos

ARGOS DISTRIBUTORS LTD. CATALOGUE NO.9. SPRING 1978

We cut the overheads- you get the savings

Here's how we save you money.

1. Our new concept in shopping uses less space, so we save on rent and rates.
2. Computerised warehousing improves efficiency all round and cuts wastage.
3. Bulk purchasing enables us to sell **everything** at discount, permanently.

No hidden extras.

Argos prices already include VAT so there are no "hidden" extra costs to pay. Because our prices are less, you also pay less VAT.

Our trading policy is to provide you with big savings on everything we sell, but in the event of VAT changes, or for any other reason beyond our control, we may have to make adjustments, so please check against the Master Catalogue in your Argos showroom.

Full money-back guarantee.

In addition to your statutory rights as a customer, Argos gives you a generous Full Money-Back Guarantee.

1. All customers are protected by law when buying goods. Argos fully respect those rights.
2. Argos gives you further protection with a Full Money-Back Guarantee. **We will exchange or refund you for any unused item that does not meet your exact requirements.** Simply replace the item in the original carton or wrapping and return it to us with your receipt within 14 days of purchase. We want you to be entirely satisfied with every purchase you make at Argos.

Discount prices on everything.

The Argos prices shown here are, where possible, compared with the Recommended Retail Prices as provided by our suppliers. Where no such prices exist our suppliers have provided Comparative Retail Prices, except where asterisks are printed against the Comparative Retail Price. In respect of those cases (with asterisks) a market research study was carried out in December 1977, which established an average retail price and this has been described as the Comparative Retail Price. These are used to show the genuine savings we offer.

The Elizabeth Duke collection offers you more jewellery for your money

Mr. Brian Selwood, a Fellow of the Gemmological Association of Great Britain, has been responsible for the selection of our prestige range of elegant jewellery by Elizabeth Duke.

Mr. Selwood writes:

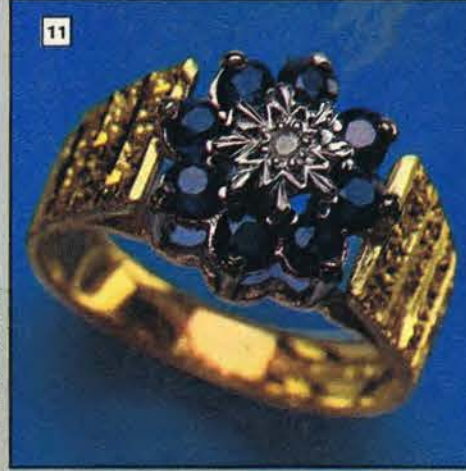

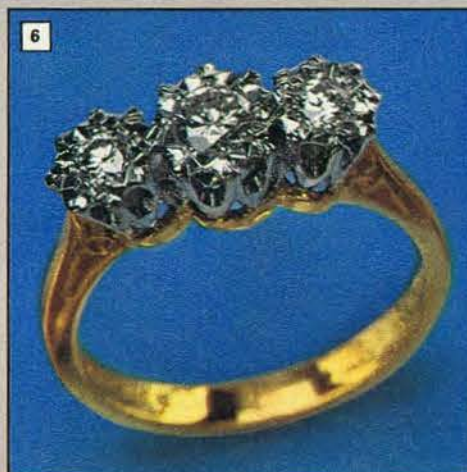

"There are many reasons why the Elizabeth Duke collection offers you more jewellery for your money. Firstly, we have cut out the middlemen—we buy direct. Secondly, we buy ahead to avoid the increases caused by the ever-rising costs of gold, silver and precious stones. Thirdly, apart from jewellery, we sell a wide range of products; so our huge turnover enables our Jewellery Division to operate without the jeweller's traditionally high profit margin."

Valuer's Certificate. Guarantee. Free Insurance. Ring Sizing Service.

The lifetime skills of experts ensure the value of the jewellery you buy from us. With each engagement ring or eternity ring you have the extra surety of a Valuer's Certificate. But whatever you buy you also have the reassurance of our Guarantee.

With each engagement ring or eternity ring, we also give one year's free insurance.

A ring sizing service is available for your convenience.

The image displays four items from the SPONG brand, arranged on a light-colored wooden surface. At the top left, the word "SPONG" is enclosed in a black rectangular box with a white border. Below this, there are three manual grinders and one cylindrical metal strainer. Two of the grinders are labeled with numbers in small white boxes: "4" is on the top right grinder, and "5" is on the bottom left grinder. The grinders have a dark brown, possibly wood or painted metal, body with a white base and a white handle. The cylindrical strainer is made of metal with a mesh screen. The overall aesthetic is that of a vintage product catalog.
