

We cut the overheads. You get the savings—plus quality and choice.

Here's how we give you big savings.

1. By our new, ultra-modern methods in shopping which use less space to store more goods—and save on rent and rates.
2. By computerised warehousing which increases all-round efficiency and cuts wastage.
3. By bulk purchasing which enables us to sell everything at a big discount, always.

Here's how we give you quality and choice.

1. By dealing with different manufacturers—but only those with a high reputation for quality.
2. By careful selection of everything we buy.
3. By buying a vast variety of items, differing in style, so that we can more readily suit individual tastes.

Buying is easy.

Check what you want from the Master Catalogue in the showroom.

Fill in the simple selection form, catalogue number and quantity, then take it to the 'Service' point. Our staff will be pleased to help you if you need assistance.

Your purchases come from the stockroom while you make payment. Simply take them home, it's as easy as that.

More than one way to pay.

Simply with cash.

Or with cheque or credit card. Cheques up to £50 are accepted immediately if accompanied by a Bankers Card. We welcome purchases with Access or Barclaycard.

Or you can get a second discount with Green Shield Saver Books as full or part payment. Each filled book saves you 50p off the Argos discount price. You can add cash to your Saver Books to buy what you want, or if you have enough filled books you can get it absolutely free. The choice is yours.

Discount prices on everything.

The Argos prices shown in this catalogue are, where possible, compared with Recommended Retail Prices as provided by our suppliers. Where Recommended prices are not available, generally, our suppliers have provided Comparative Retail Prices. In respect of those cases marked with an asterisk, the Comparative Price has been established by comparing our price with the prices being charged by other national retailers at the time of printing the catalogue. All Recommended and Comparative Prices were obtained prior to June 1979 and have been adjusted where necessary by any subsequent alterations in VAT which occurred prior to the printing of the catalogue.

All sizes and capacities are approximate. It is possible that descriptions may have changed if the supplier, for instance, has altered his specifications or that there has been a change of the supplier after the catalogue has gone to press. This catalogue, published in August 1979, supersedes all previous catalogues and remains in effect until further notice. Argos prices stated in the catalogue were established during June 1979. Information is compiled with all possible care, but the publishers do not hold themselves responsible for errors or omissions.

Attractive gift vouchers.

For personal use.

You can obtain Gift Vouchers at all Argos Showrooms. They are available in units of £1, £2 and £5. They make

ideal presents for all occasions and are so convenient to send by post.

As incentive prizes.

Argos Gift Vouchers make attractive prizes for staff incentive schemes for companies, clubs and trade associations. So when management thinks of incentives and prizes, they should automatically think of Argos Gift Vouchers. They have the advantages of simplicity and acceptability—with a ready-made catalogue of high quality, famous-name products at discount prices and Argos Showrooms throughout the country. You may qualify for a cash rebate on bulk incentive orders. If you are planning a prize incentive scheme, we shall be pleased to help you—just ring 01-951-1363, extension 58.

No hidden extras.

Argos prices already include VAT so there are no 'Hidden' extra costs to pay. Because our prices are less, you also pay less VAT. Our trading policy is to provide you with big savings on everything we sell, but in the event of VAT changes, or for any other reason beyond our control, we may have to make adjustments, so please check against the Master Catalogue in your Argos showroom.

Full satisfaction or money-back GUARANTEE

In addition to your statutory rights as a customer, Argos gives you a generous Full Satisfaction or Money-Back Guarantee.

We will exchange or refund you for any unused item which does not meet your exact requirements.

Simply replace the item in the original carton or wrapping and return it to us with your receipt within 14 days of purchase. We want you to be entirely satisfied with every purchase you make at Argos.

HINTS ON CARE AND USE OF CASSETTE MACHINES AND CASSETTE TAPES.

After a period of time, the sound on playback can become "muffled" or in extreme cases, almost inaudible.

This is most frequently not a machine fault but a build-up of oxide on the tape playback/record heads. This can be avoided by regular use of a head cleaner every 5-7 hours playing time.

Sound may also become distorted, tapes play slowly or jam. Again the most common cause of this is oxide and dirt build-up on the tape transport mechanism. Regular use of a head cleaner will prevent this build-up.

Another cause of slow running can be that (if battery operated) the batteries are exhausted. Always use High Power, H.P. or Alkaline-Manganese M.N. types.

Avoid the use of C120 tapes. The base film of these tapes is thinner than C60 and C90 tapes and is therefore prone to stretching. This in turn leads to tape breakage.

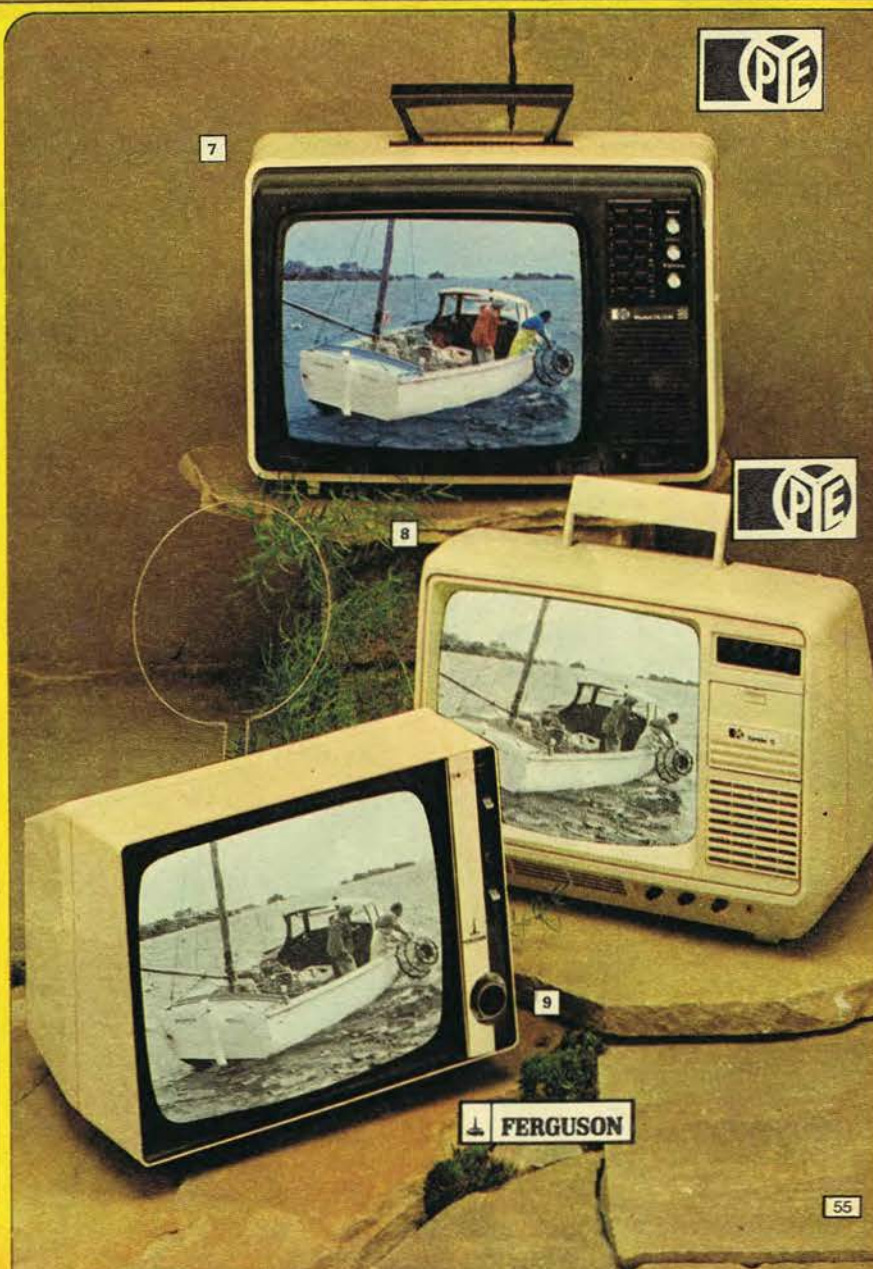

Make sure that you do not leave cassettes in the machine in "play" mode when turned off. This is especially important in the case of in-car units where the initial power surge caused by re-starting can cause tape to "loop" and therefore jam or break. Always eject cassette before turning off ignition or machine.

Do not leave machine or tape in direct sunlight.

Before installing in-car units, check that polarity of car and machine match. Incorrect polarity can cause irreparable damage to the unit.

The *Elizabeth Duke* collection offers you more jewellery for your money

Mr. Brian Selwood, a Fellow of the Gemmological Association of Great Britain, has been responsible for the selection of our prestige range of elegant jewellery by Elizabeth Duke. Mr. Selwood writes:

"There are many reasons why the Elizabeth Duke collection offers you more jewellery for your money. Firstly, we have cut out the middlemen—we buy direct. Secondly, we buy ahead to avoid the increases caused by the ever-rising costs of gold, silver and precious stones. Thirdly, apart from jewellery, we sell a wide range of products; so our huge turnover enables our Jewellery Division to operate without the jeweller's traditionally high profit margin."

Full Satisfaction or Money-Back Guarantee

The lifetime skills of experts ensure the value of the jewellery you buy from us. With each engagement ring or eternity ring you have the extra surety of a Valuer's Certificate.

The law lays down specific requirements for hallmarking gold and silver jewellery; Elizabeth Duke jewellery fully meets those requirements. But whatever you buy you also have the reassurance of our money-back guarantee (see page 3 of this catalogue).
